Re: Rico-Argentine Site, Dolores County, Colorado
UAO for Removal Action, Docket No. CERCLA-08-2011-0005
Review of Cost Documentation: Confidentiality Agreements

Dear Amelia:

As requested by EPA, I enclose signatures for the following individuals to Annex 2 to Agreement Regarding Confidentiality of Business Information: Sheila D'Cruz, Ron Tomlinson, and Anthony Brown. I previously provided you with a copy of Annex 2 with my signature.

Thank you for providing the cost documentation requested by Atlantic Richfield Company.

Sincerely,

William J. Duffy

MODEL CONFIDENTIALITY AGREEMENT

AGREEMENT REGARDING CONFIDENTIALITY OF BUSINESS INFORMATION

The United States Environmental Protection Agency (EPA) and the Atlantic Richfield Company (AR) hereby agree that settlement of the Government's claim concerning the Rico-Argentine Site located near the Town of Rico in Dolores County, Colorado will involve the production of documents which have been submitted to the EPA by the various contractors listed in Annex 1 (submitters) containing certain information which may be entitled to confidential treatment under 40 CFR Part 2. Furthermore, the parties herein agree that the limitation on the disclosure of the documents subject to this Agreement is necessary in order to protect the interests of the submitters in the confidentiality of their business information.

The terms of the Agreement Regarding Confidentiality of Business Information (Agreement) are as follows:

1. The EPA shall provide the document(s) containing information which may be entitled to confidential treatment to AR and such document(s) shall be handled in accordance with the terms of this Agreement.
2. As used in this Agreement, the term "confidential information" means trade secrets or commercial or financial information submitted by a person to the EPA and which may be entitled to confidential treatment under 40 CFR Part 2. This information has not been determined by the EPA under 40 CFR Part 2, Subpart B not to be entitled to confidential treatment.
3. Any information to be produced by the EPA pursuant to this Agreement shall be stamped conspicuously with the word "CONFIDENTIAL", "CONFIDENTIAL BUSINESS INFORMATION" or "CBI" by the EPA on the top of each page of each document prior to production to AR. The transmittal of information designated as confidential shall be done by letter from the EPA stating that the information designated as confidential is subject to this Agreement.
4. Information designated as confidential under this Agreement shall not be used or disclosed by AR or any other person subject to paragraph 7 below for any purpose other than the preparation for negotiation of a settlement.
5. AR and AR's counsel, who obtain information designated as confidential hereunder, and any nonparty subject to this Agreement, shall not disclose or permit disclosure of this information to any other person, including, without limitation, any officer, director, employee, agent or representative of the PRP, the PRP's counsel or any nonparty, except in the following circumstances:
 - a. Disclosure may be made to employees of AR or of AR's counsel who have responsibility for settlement negotiations involving the Rico-Argentine Site. Any employee to whom disclosure is made shall be advised of, and become subject to, the provisions of this Agreement prior to such disclosure by executing the Confidentiality Agreement (Annex 2) annexed hereto. Employees do not include persons, firms or corporations engaged by AR or AR's counsel on a contract basis, who shall be subject to the requirements of subparagraph (b) of this paragraph.
 - b. Disclosure may be made to consultants, witnesses, experts or employees of experts (Expert(s)) employed or otherwise engaged by AR or AR's counsel to assist in the preparation for negotiations.

Prior to disclosure to any Expert, the Expert must agree to be bound by the terms of this Agreement by executing the Confidentiality Agreement annexed hereto. A copy of each executed Confidentiality Agreement shall be furnished to the EPA and submitter not less than five (5) business days prior to disclosure to the Expert of the business information.

6. AR, AR's counsel and any other person subject to this Agreement who obtains information designated as confidential hereunder shall take all necessary and appropriate measures to maintain the confidential nature of the information, shall share such information only with persons authorized to receive it pursuant to this Agreement, and shall retain the information in a secure manner. Except as provided in paragraph 5 above, no other person shall be permitted access to the information.

7. Any person who obtains access to information designated as confidential under this Agreement may make copies, duplicates, extracts, summaries or descriptions of the information or any portion thereof only for the purpose of preparation for settlement negotiations for cost recovery at the Rico-Argentine Site. All copies, duplicates, extracts, etc. shall be subject to the terms of this Agreement to the same extent and manner as original documents.

8. Any unauthorized disclosure of information designated as confidential under this Agreement shall not result in a waiver of any submitter's claim of confidentiality.

9. Within 60 days after termination of negotiations, or as determined by the EPA, any person who obtained information designated as confidential under this Agreement shall assemble and return such information to the EPA, including all copies, extracts, summaries or descriptions of the information or portions thereof. Such return shall be certified in writing by the person who obtained the information from the EPA. All such information covered by this Agreement which constitutes the work product of counsel for AR shall be destroyed. However, if before the expiration of the 60 days the United States has filed a cost recovery action in Federal court for the Rico-Argentine Site, naming AR as a party, AR may retain the information. Such retention shall be governed by the provisions of this Agreement until entry of a protective order governing the information.
